

## A QUATERLY NEWSLETTER

**H**ello, dear alumni! As the crisp autumn air sweeps in the leaves and the leaves don their vibrant shades of orange and gold, it's time to snuggle up with a steaming cup of your favorite seasonal beverage and dive into our very first edition of the Maple Leaf Ladokite. We're thrilled to embark on this journey with you, our cherished alumni of the Canadian Chapter. It's a season of new beginnings, and we can't think of a better time to celebrate our shared roots and exciting future together.

Reflecting on a Summer of Community and Change

This past summer was nothing short of a whirlwind, with our alumni network buzzing with energy and activity. The highlight was undoubtedly our general election, where enthusiastic candidates of varying degrees stepped up to lead our national association with passion. Congratulations to our newly elected executives!

Your commitment to fostering a vibrant alumni community in Canada fills us with anticipation for the wonderful things ahead. We're grateful for everyone who participated, ensuring our

chapter grows stronger and more connected.

## From the President's desk

Dear LAUTECH Alumni Canada Family, since stepping into the role of President, it's been a rewarding journey of growth and impact. Alongside our executive team, we've continued to strengthen our association, and give back to our Alma Mater.

We've picked up where the previous leadership team left off and I'm excited to share that the 14 public address systems promised to the university have now arrived in Nigeria with proposed distribution of one unit to each of the 12 faculties and the last two to the Senate and House Committees of the school.

A heartfelt thank you to all members who have supported our events both financially and in-person. Your dedication keeps our mission alive and thriving.

Looking ahead, our 2026 project will be officially unveiled in the next newsletter. Let's keep the momentum going. The future is bright, and we're just getting started!

**Teekay Akinyemi**  
 President, LAUTECH Alumni Association Canada

## Summer Sizzle -Alumni Get-Together Across Canada!

As we embrace the cozy vibes of fall, let's take a moment to bask in the sunny memories of this summer's fabulous alumni get-togethers across Canada. Our provincial chapters put their heart and soul into planning some amazing shindigs, hoping to capture the spirit of our vibrant community, And, oh, did it pay off!

From the prairies to the bustling regions of Southern Ontario, up to the far reaches of Atlantic Canada, alumni hopped, skipped and jumped at the chance to reconnect with old friends and make delightful new ones.

*LAAC-Saskatchewan Summer BBQ party*

Our gatherings included a range of activities that included outdoor cookouts, holiday related events and dance-offs, ensuring there was something special for everyone.

*LAAC - Ontario Summer Picnic party*

Organizing these events wasn't without its challenges. Navigating the country's notoriously unpredictable weather was like playing chess with Mother nature herself! Yet, thanks to the tireless dedication of volunteers and the relentless spirit of our organizers, every gathering was a triumph.

*LAAC - Ontario Summer Picnic party*

This summer's events were more than just gatherings; they were vibrant celebrations of our shared experiences and our ever-

growing network of talented individuals. Thanks to everyone who twisted and turned their summer plans to make room for these events. Your presence made them unforgettable, and your energy kept our alumni spirit thriving.

*LAAC - Ontario Summer Picnic party*

So, here's to the laughter, the stories, and the connections that keep our alumni network alive and kicking. Whether you traveled across town or across provinces, your participation was the core ingredient to our

success. Thank you for making this summer legendary and keeping the enthusiasm alive.

### Gearing up for a bright Year Ahead

As we look toward the coming year, there's a palpable sense of excitement in the air. While we won't ruin all the surprises, we can assure you that our focus will be on strengthening relationships and creating opportunities for personal and professional growth. The president's address has already hinted at unveiling our 2026 project in the next edition. Stay tuned for events that'll range from casual meet-ups to insightful discussions, all designed to nurture our network and inspire meaningful connections.

### Quarterly Webinars: Lifelong Learning Awaits!

We're excited to announce the continuation of our quarterly webinar series, a great way to stay engaged and informed no matter where you are. These online sessions will cover a variety of topics, from career development and latest industry trends, to personal and family support discussions. It's an opportunity to hear from subject-matter experts, accomplished alumni speakers and thought leaders, and hey, you might find a chance to contribute your own expertise! Mark your calendars; this could be your window to endless learning and networking opportunities over the next couple of years, as the webinar team launches the series with a Family and Parenting theme.

## Celebrating the Season Together

Let's embrace this autumn with all its cozy charm and vibrant activities. Whether you're planning a trip to a local pumpkin patch, a scenic hike to breathe in the beauty of our various Canadian landscape, or a gathering around bonfire with friends, this season is about creating memories and staying connected.

Thank you for being an integral part of our alumni community. We're excited to see where this calendar year takes us and how we can enrich each other's lives. Keep your eyes peeled for more exciting updates and events, and don't hesitate to reach out – our doors are always open, and your ideas and feedback are welcome. Here's to a season filled with warmth, joy and camaraderie.

Warm autumn wishes

The Maple Leaf Ladokite Team
